

LIFE EVENTS

Christenings, Weddings and Funerals.

Harnham warmly invites you into our churches to celebrate both the happy and the sad occasions that affect us all at different times in our lives. All enquiries are welcomed and you will receive the benefit of years of experience in helping you plan the details of your service. All of these enquires are made through the Parish Office on 07925 108856 and on any Saturday between 10.30 and noon at All Saints Church, Harnham Rd.

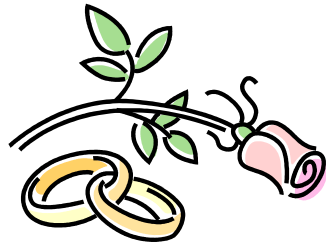

Christenings

The parish has an open baptism policy, welcoming both regular church goers and those who do not usually attend.

Weddings

The Parish offers a warm welcome to couples wishing to get married in church and the Vicar is pleased to discuss individual requirements and requests. Couples participate in a programme of marriage preparation.

Funerals, Thanksgiving Services and Burials

When someone in your family passes away, the first person to call is the Funeral Director. If you would like a funeral or a thanksgiving service in Church or a funeral at the Crematorium, the Funeral Director will contact the Parish to make arrangements and deal with all financial matters. The Vicar will meet you to discuss the service and to offer you support in your bereavement. Please see the Parish website for our burial policy.
