Safeguarding

General Synod took place over 4 days last week. Amongst other items there was a major discussion about Safeguarding. Bishop Steven writes 'All three houses of Synod voted for an amendment which agreed to outsource the national safeguarding team to an external body. A second independent scrutiny body will also be set up to resolve complaints about church safeguarding. This amendment also goes further in that it commits the Church to more work on how diocesan and cathedral teams could also be moved to this new independent body in the future.' There are recordings of the debates online [Watch General Synod live | The Church of England](#)

My thanks to everyone in the parish who work for a culture that acknowledges abuse can happen here. Special thanks to Jacqui Brown, Parish Safeguarding Officer, who enables us all to ensure the church and hall have safer procedures and practice. If you have a safeguarding concern, please do speak to or email Jacqui.
